Checklist

- | | |
|---|--|
| ☐ Save the listing, receipt, seller messages and return policy. | ☐ Install system updates, then restart and test normal sleep/wake. |
| ☐ Run Windows battery report or the equivalent battery health check. | ☐ Install study apps, browser, video-call app and security updates. |
| ☐ Do a 20-minute video call test with camera, mic and speakers. | ☐ Copy files to the SSD and check for freezes, errors or slowdowns. |
| ☐ Test Wi-Fi, Bluetooth, all common ports and charging. | ☐ Use it on battery for a real study session, not just five minutes. |
| ☐ Check fan noise, heat, keyboard, screen and hinge comfort. | ☐ Decide before the return deadline, not after it becomes your problem. |
